

AMERICAN Christmas CAROL

At the invitation of MarLo Dance Studio
Ballet Fantastique will bring
An American Christmas Carol to Sprague Theater
DECEMBER 8TH, 7PM

Ballet Fantastique's sparkling holiday tradition, ***An American Christmas Carol***, returns for 2017! Donna and Hannah Bontrager have re-imagined Charles Dickens' beloved story in iconic post-WWII America with their original choreography set to the velvet voice of international chart-topping jazz singer—and Oregon sweetheart—[Halie Loren](#). Retro-glam choreography fuses drama and humor as it weaves the story of penny-pinching Ebenezer Scrooge's transformative quest.

To Sweeten the Pie, MDS students have an opportunity to perform with the company in a first ever collaboration between the company and another studio.
